Understanding CIPC Status and Deregistration

This quick guide explains common CIPC company statuses in plain language.

If your status is not clear, send your registration number and we will check it for you.

Checklist

- ☒ In Business: your company is active and compliant
- ☒ Deregistration Process: your company is at risk due to non-compliance
- ☒ Deregistered: your company has been removed from the active register
- ☒ Reinstatement may be possible if requirements are met
- ☒ Outstanding annual returns are usually part of the reinstatement process
